

Prince of Peace Lutheran Church - ELCA

"Gathered by Grace - Sent to Serve"

Endowment Fund Request - Just Ask!

The **Prince of Peace Endowment Fund** was created to enhance the outreach mission of Prince of Peace apart from the general operation of the congregation. The monies are invested in various mutual funds, and only the income (interest, dividends and realized capital gains) is used to support outreach projects. The principal remains intact unless circumstances are so dire that the future of the congregation is at stake.

Examples of possible **local** community outreach projects include, but are not limited to, the following:

1. Grants to students attending ELCA seminaries or colleges.
2. Financial help for social service agencies and institutions recommended by congregation members.
3. Support for special programs for community members who are in spiritual or economic need.
4. Aid to the ELCA for new congregational development.
5. Support for any other cause that would enhance the outreach of our congregation.

If you know of a worthy recipient requiring assistance from the **Prince of Peace Endowment Fund**, please let us know! Complete the form below, use additional pages if needed, and turn it into the church office or mail it to:

Prince of Peace Lutheran Church
